

To Whom It May Concern:

The International Humanities Center (IHC) was created in 1998 to foster social and ecological justice, as well as efforts in the realms of peace, education, women's and children's issues, and animal rights. IHC sponsors those projects whose mission is to improve conditions for all beings and their environment. These efforts may be start-up or established, and run the gamut in available financial resources. The increasing need in the community for these types of grassroots efforts prompted the formation of an entity to better facilitate their needs. IHC is this entity.

IHC is a tax-exempt public charity as recognized by the Internal Revenue Service under Section 501(c)(3) of the Internal Revenue Code. Therefore, donations to IHC-sponsored projects are tax-deductible to the extent allowed by law. Our Tax Identification Number [FEIN] is 33-0767921.

The Kirwin International Relief Foundation has been an IHC project in good standing since 1 January 2005. We are delighted to be in collaboration with Mark Kirwin and The Kirwin International Relief Foundation, and fully support their goals and efforts. Please feel free to direct any questions about the IHC Program to me.

Sincerely,

Steve Sugarman
